M: Hello. International Friends Club. Can I help you?

W: Oh, hello. I read about your club in the paper today and I thought I'd phone to find out a bit more.

M: Yes, certainly. Well, we are a sort of social club for people from different countries. It's quite a new club—we have about 50 members at the moment, but we are growing all the time.

W: That sounds interesting. I'm British actually, and I came to Washington about three months ago. I'm looking for ways to meet people. Er, what kinds of events do you organize?

M: Well, we have social get-togethers, and sports events, and we also have language evenings.

W: Could you tell me something about the language evenings?

M: Yes. Every day except Thursday we have a language evening. People can come and practice their languages—you know, over a drink or something. We have different languages on different evenings. Monday—Spanish; Tuesday—Italian; Wednesday—German; and Friday—French. On Thursday we usually have a meal in a restaurant for anyone who wants to come.

W: Well, that sounds great. I really need to practice my French.

M: OK. Well, if you can just give me your name and address, I'll send you the form and some more information. If you join now, you can have the first month free.

M: I know. But this one was a birthday present from my wife. It has been with me for so many years...

W: Well, I have a friend who knows a lot about fixing cars. Perhaps I could ask him to give your car a thorough check sometime if you want.

M: Oh, me, I grew up right here in Portland.

W: Ah, so you're a local boy. What do you do?

M: Right now I'm in school. How about you?

W: No kidding?

W: If you are lost in the woods, don't panic. Sit down on some rock, or lean against the tree, and recite something that you have memorized, just to bring your mind to a point where it's under control. Don't follow a stream unless you know it, and in that case, you're not lost. Streams normally flow through wetland, where you're very likely to come across wild animals, poisonous snakes, etc. Many experts feel that it is the wisest to walk uphill. At the top of most hills and mountains are trails leading back to civilizations. And you may even spot a highway or a railroad from this point. Nowadays, the first way someone will search for you is by air. In the woods, you are very hard to be seen. You may think a detailed map or a cellphone would help, but a nervous mind would often make the map more confusing to read, and the cellphone is always out of power when you're in emergency. Therefore, anytime you go into the woods, somebody should know where you're going, and when you are expected to return.

参考范文:

The chick would give Arnold a chance to be a real father, but it would also be a challenge for him. It was possible that Arnold, who had no experience of raising young eagles, would possibly dislike the chick, or even worse, he might hurt it. But Eric didn't change his mind. When Arnold was away, he gently put the chick in the nest. When Arnold came back to his nest, he stood in the distance to see how Arnold treated the chick. He was a little worried, so he approached slowly and watched carefully.

When the chick got close to Arnold, a wonder occurred. Arnold gave the chick a gentle touch, then covered it under his wings to keep it warm. He obviously accepted the chick. After a while, Arnold flew away and brought back the food Eric had prepared for him and fed it to the chick. Seeing all this, Eric was completely relieved. Arnold took care of his "baby" every day. The chick grew healthily day by day. And Arnold's wish to raise a baby as a father came true.
