Dear Tom,

I'm delighted to receive your email and know that you are interested in the sports activities in my school. And here comes my reply.

To begin with, a wide range of sports events are held on the campus, such as badminton, ping-pong, soccer and basketball. Students can also enjoy jogging after classes, which is very popular among us. In addition, our school playground has been rebuilt with well-equipped facilities, and the stadium is big enough to hold a great number of students. They are all open from 6:30 am to 10:30 pm. As for me, I'm crazy about soccer because it can build up my body, enrich my life and develop my teamwork spirit.

All in all, for us young people, sports activities are fundamental. I'd like to invite you to come to our school for a real experience.

Yours,

Li Hua
