A possible version

Dear Claire,

How's everything going? I have a safe journey back. I'm writing to express my heartfelt gratitude for your help, support and everything you did for me. Besides, I carefully chose a Chinese painting as a gift for you. Hope you will like it.

The reason why I choose this painting, named shrimps, is that you're a nature lover, just like the painter Qi Baishi. Qi is a household name in China, known for his unique style and mastery of traditional Chinese painting techniques. His works primarily focus on nature, especially lovely creatures like shrimps. They are full of life and stand vividly on the paper.

Of course, China has more than Qi and his works to offer. You're warmly welcome to visit China and have a wonderful personal exploration. Looking forward to seeing you here!

Yours sincerely,

Li Hua
