Possible version

Dear Jim,

I'm glad to receive your letter and know you'll take part in the Chinese Speech Contest themed "Secrets of Success". You asked me for advice about it. Here are my suggestions.

For the preparation work, you can practice your spoken Chinese every day, which will enable you to express your thoughts fluently and clearly. In addition, ask people surrounding you about their opinions on success and you'll gain a deep understanding.

As for me, we need to be fully prepared. For example, imagine our best self and write down our goals. Besides, we should develop good habits and work hard. We'll succeed sooner or later.

Hope my suggestions are helpful. Wish you a good performance in the contest!

Yours,
Li Hua
